

STATE OF CALIFORNIA  
STATE WATER RESOURCES CONTROL BOARD

In the Matter of

DETERMINATION OF RIGHTS of the  
Various Claimants to the Waters of

SCOTT RIVER STREAM SYSTEM,

Except Rights to Water of Shackelford  
Creek, French Creek, and all Streams  
Tributary to Scott River Downstream  
from the U. S. Geological Survey  
Gaging Station in, Siskiyou County,  
California

Order No. WR 79-28

ORDER MAKING SECOND FURTHER DETERMINATION OF  
RIGHTS OF VARIOUS CLAIMANTS TO THE WATERS OF  
SCOTT RIVER STREAM SYSTEM

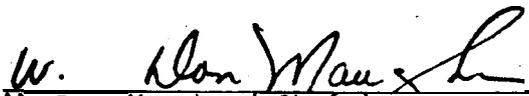

The matter of the unresolved exceptions of exceptors Kerrigan and of exceptors Struckman having been referred back to the Board on June 4, 1979 for taking of further evidence and making further determination, pursuant to Water Code Section 2767; the exceptors having resolved their dispute in an agreement to amend the Order of Determination; the Board, having reviewed the proposed amendment, finds as follows:

1. The proposed amendments to the Order of Determination are **con-  
tained in** the attached Schedule B-10. The proposed amendments establish ..  
during what times and by what means exceptors Kerrigan may exercise a pres-  
ently dormant riparian right in Section 18, T40N, R8W, MDB&M. The proposed

amendments are consistent with the allocation to and use of water by other dormant riparians in the Scott River adjudication. The Board concludes that the Order of Determination should be amended to incorporate the agreement reached by the exceptors.

The following amendments to the Order of Determination are necessary to incorporate this agreement: Pages 56, 78, 99, SWRCB Map, Sheet. 15 - Conform these pages and sheet to show allocation of 0.40 cfs for Terrence J. and Janice L. Kerrigan at Diversion 154-15-B10 for use on 20 acres in Section 18, T40N, R8W, MDB&M, in accordance with the attached revised Schedule B10. Measurement Points A and B should be indicated on Sheet 15 as set forth in paragraph 80 of the Board's Further Order, dated March 15, 1979.

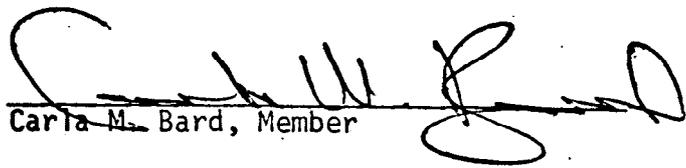

Dated: **AUG 16 1979**

  
W. Don Maughan, Chairman
